Dear Ms Sit,

I am pleased to share with you the achievements of your graduate, Choi Hoi Hang (蔡憶珩). She was admitted to our Secondary One on 1st September 2012.

In the first term, Hoi Hang came second in her class (S.1C) and won the subject prize of Computer Literacy. She was commented to be a lovely student, who achieved good academic results.

Moreover, your letter of recommendation for Tang Ka Tung and Wan Hoi Yan Jade was received with thanks. Their applications will be favourably considered if their performance was similar to other candidates.

I look forward to having more collaborations between our schools in future.

Yours sincerely,

Chan Ka Lai (Ms)
Principal
