# Foreword from our Principal

This year we are celebrating the 20th anniversary of our school. We are grateful that in these two decades, our God has been guiding us and steering us towards his path.

Throughout the journey, we sailed through storms and turbulence. In these trying moments, I am reminded of my role as a humble servant. When everything I do is for the good of our students, I know I am on the right path.

*Pure gold put in the fire comes out of it proved pure; genuine faith put through this suffering comes out proved genuine. When Jesus wraps this all up, it's your faith, not your gold, that God will have on display as evidence of his victory.*

1 Peter 1:7

Lord, we see the wonders you have done to this blessed school. I will strive to be a faithful and wise servant worthy of your name.

# Letter from our Editors

Dear all BSTLWMC-ians and all the readers of our Star Journal,

It has been a great experience working with our team to come up with this English Newsletter. It has taken us a lot of time and effort as we didn't have a lot of team members, but seeing the result, it was worth all the work.

This year, we focused on LMC's 20th birthday because we wanted to celebrate this huge milestone.

We not only believe that writing helps us express ourselves but it helps us think creatively and inspires others to start writing as well!

I hope you enjoy these masterpieces and create your own in the future as well! As Jodi Picoult said, "You can always edit a bad page. You can't edit a blank page." So get your pen out and start writing, then maybe one day you'll see your work on the LMC Star Journal!

Once and for all, Happy 20th Birthday BSTWLMC! A big 'Thank You' to the principal, teachers and pupils for making all the unforgettable memories!

From the Editors of *LMC Star Journal*, **Tiffany and Galiana**

# WHEN YOU ARE 20, HOW TALL WILL YOU BE?

By Candace Lo

Have you ever had a friend who always talked about their height and always said that they are tall for their age? Well if you ever come across anyone who does this, mention the tallest man that has ever lived.

The tallest person ever was Robert Wadlow. He was so tall that he was nicknamed the Alton Giant and the Giant of Illinois. He was taller than his father when he was only 8 years old.

Although he had a very short life, he also enjoyed meeting people. He had a positive outlook on life even with all the troubles he faced.

Happy Birthday

# Mr. Nathan Questions

By Tiffany

**Q: When is your birthday?**

A: It is on 11 December.

(Funny story: I should have been born on the 12th, but that is my mother's birthday. My mother thinks that 13th is unlucky and any date after that would have been quite late for delivery, so I had to be delivered on the 11th.

**Q: What is your favourite food?**

A: I really enjoy eating burgers and fast food in general. It's bad. I know

I know :(

*IE...*

**Q: If you could have any more pets, what pets would you choose?**

A: I've had gerbils, rabbits, piranhas, snakes and lots of other pets in the past and they are quite fun but I'd rather not have any more pets until I have been on more holidays. More pets = more responsibility.

**Q: If you had a time machine, where and when would you go?**

A: I'd go back to the Jurassic era when the dinosaurs were around.

**Q: If you could live anywhere in the world, where would you live?**

A: I'd live in Hawaii. Great weather there and lots of nature. I can't wait to go on holiday there.

**Q: Sundays?**

A: Looney Tunes and DragonBall Z

**Q: Tea or coffee?**

A: Tea
